

CLUB CHAMPIONSHIP 2024

There will be an overall club championship as well as separate championships dedicated to road events and trail / fell events.

Races have been selected based on the following:

- Local, affordable and a range of road, trail & fell races.
- Short and medium distance (all except the wildcard events are under 10 miles)
- Supporting running club or charity events
- A combination of events which many club runners have done before as well as new events.
- Supporting other club organised events (for example, HDSRL, track sessions etc., ?)

At the time of writing, many events have not been confirmed for 2024. If an event does not go ahead or the date changes significantly, then we may decide to substitute with an alternative.

The championship season runs from March 1st to October 31st 2024.

Age category for each runner will be based on age at 1st March.

Times for these 'wildcard' events will be taken from the weekly results update. Towards the end of the season these will be circulated to give people the opportunity to highlight any mistakes or missing times.
