

Skipton AC: Running routes (daylight evenings) 2013

Three different routes are available each Tuesday and Thursday evening starting at 7pm, from Craven Swimming Pool. Below is a written description of the routes planned and a date rota of when they occur.

More off road than road

- These are up to 8 miles in length with alternatives of 5/6 miles (& see 'middle pitch' below). They are made up of as much off-road as possible

More road than off road

- These are up to 8 miles long but can easily be shortened. Running is on a mixture of tarmac, farm track or footpath and all surfaces are good underfoot (well, most of the time!)

Middle pitch: surfaces & distance

- These are shorter and at a pace suitable for those who are less experienced or those recovering from injury, etc

In the mix we also have:

- Tuesday evenings, **Interval** training (separate rota available)
- From May, the 2nd Thursday of each month is a **Handicap** run. For this we meet at **7:15** at the Elm Tree car park in Embsay
- From May, the 4th Thursday of each month will have an **Open Choice** of route to be decided near (or at) the time. This is the night that those who wish to run the Tough 10 route can meet to set off at 6:45 from the pool

Route	Date	Day	Route	Date	Day	Route	Date	Day
A	9th April	Tuesday	C	2nd May	Thursday	E	4th June	Tuesday
B	11th April	Thursday	D	7th May	Tuesday	Handicap	6th June	Thursday
