

Race Results week ending 25th November 2018:

I'm one very happy reporter tonight as there is very little to report in terms of races, however there's been loads of good stuff going on this weekend. Double volunteering duties from Janet C, Paul and Chris meant lots of standing about in the cold on Saturday and the much-awaited finale of the handicap races for this year resulted in a nail-biting tie at the top!

Gargrave Handicap

Well done to all who ran and to Mike T for finishing first on the day. The overall winners are the Smiths; Hazel and Gavin are joint winners with Antony R coming third.

Skipton Santa Fun Run

Loads of Club participants helped make it a winning day for all.
