VERY well done to Mel Steventon who has completed the Wainwrights

Here is the 'before' announcement:

Mel of Due North Events will set off from home near Penrith and head out to her nearest Wainwright Great Mell Fell. From there she will pick up Steve Birkinshaw's record breaking Wainwright round route and aim to complete all 214 Wainwrights in around 10 days- maybe more? Mel has never taken on anything so big before! She will finish on Little Mell Fell. Mel is doing this as a personal challenge but also to raise money for Community Action Nepal and Women's Aid. Thanks to the help of Berghaus and SportsShoes she is well kitted out and ready to go. She will leave home at 5:30am Thursday 10th September. This is by far the biggest thing Mel has ever taken on, well out of her comfort zone and is just 330 miles of 546 which she is aiming to do for the fundraiser. This is the total length of Nepal! Please read the Gofundme link for more info and to make a donation which will really help to keep her going. [gf.me/u/ynmijz](https://www.gofundme.com/u/ynmijz) Thank you

26th September 2020: Punk Panther Reservoir Dogs Ultra Short Course
