Lakeland Five Passes Ultra (32 miles, 10,000ft)

190 took part

Race Report from Julian: "A great trail race, aiming to take in passes rather than the very tops of the Lakeland hills around Ambleside. Although, the race does go over Wansfell Pike, Harter fell, Thornthwaite Beacon and Red Screes. A well organised race and a fine introduction to Lakeland trail running. With the whole race on mostly good bridleway and path, well stocked aid stations, it's a more realistic proposition than some of the Lakeland classics like Borrowdale or Wasdale. Unmarked but GPX permissible and very little room to go wrong".
